

This area
is dangerous.

I won't do
any modding,
but for now
let's go to
the shop.

Thank
you-u!

No way!
Did you
follow me?!

Stopover?

There'll be
a little
stopover
on the way.

Made from
a pretty
good
fabric.

Hmm, this
one is a
standard doll.

Hey,
don't stray
too far,
this way!

Oh really?
Cause if I cut
off these ears
they can sell
for a pretty
penny...

That girl
also isn't a
customer,
ok?!

I'm not really an
"eye for an eye"
kind of person,
calm down.

ハハ
ハハ
D-did it hurt
that much?
S-s-s-sorry.
I'm sorry!

But, but,
you said
"cut off" and
everything!

just
throwing
it out
there.

Ow, don't
attack me—
I was just
thinking.
